

HOW TO GET INVOLVED.

It takes a village to raise a child. We work with several communities like Uganda Kenya, Rwanda and USA to accomplish our goals and improve lives.

YOU CAN HELP IN DIFFERENT WAYS.

- Volunteer your time at one of our schools or during our fundraising events
- Host a fundraising event or dinner at your home or office. We can help!
- Donate funds or collect needed supplies.

Or

We offer community service hours and/or credits.

Visit our website to see how you can donate.

Providing education and free medical to orphans.

**Executive Director Penny Leon
Interacting with Children**

Volunteer with us!

Florence is Penny's mother who raised 20 kids from her community. Penny named the organization in honor of her mother. Read more about her on our website.

Our Mission

Our mission is to support youth/ orphans of the world towards providing them with adequate, healthcare, food programs and educational resources.

We understand the importance of educating our youth. Our goal is to help them obtain an education which will give them knowledge and skills necessary for improving their lives and that of their communities.

Health:

Nearly 30/% of the orphans are currently living with HIV & AIDS virus. Our goal is to provide prevention, education and early treatment. We work with local medical doctors and volunteers from around the globe to deliver the proper services.

Education:

We strongly support equal access to education. Our Mission is to promote youth achievement and preparation by fostering educational excellence and enhancing the communities overall health.

Community Clean Water project

East Africa Medical Missions.

FFYIA would like to send a big thank you to all our supporters and volunteers.

A special thanks to the medical team led by Dr. Hanson Wang, Penny and Mr. Sebunya, to East Africa & treated 3,000+ patients during our visit in Uganda, Kenya and Rwanda. More medical mission are in the works.

Thanks to Daniel Pearl Magnets High School Interact Club and Calabasas Rotary Club for their donation & hard work in the assembling. "500 water Pasteurization indicators (WAPI)
FFYIA'S President Penny Leon traveled to East Africa and trained locals on how to use the WAPI'S for drinking and cooking with clean water

Help Us Elevate Quality of Life, Provide for a Better Sustainable Future, and Eradicate Devastating Illness due to Lack of Clean Water!

Our mission is to bring knowledge to the underserved communities. In 2015 we shipped 10,000 books of all ages, medical items and other school supplies to be distributed to several orphanages and schools in Uganda. Thank you Piccolo books for your donation of the books.

The community Model Farm

Together with the community FFYIA has launched a sustainability model farm program. This farm will aid in providing additional meals to our elderly the children and overall community. The children need assurance of proper food daily in order to achieve their education capabilities.
